<u>Presentation</u>

- Tabitha: explain what the page is
  - 720 different stories
- Katie: how it works and the new things
  - Show animation
  - Plugin (carousel)
  - Sounds + mute button
- Maya: explain process of how we got here
- Katie: Most tedious/confusing thing: Plugin (carousel)
- Answering questions
  - Carousel: Katie
  - Story: Tabitha
  - Sounds: Maya
  - Etc: all of us

<u>Project Idea</u>: a page to choose icons to make a story, hear the sounds of the animals

- Story: 720 different stories
  - CAT:
    - One day, a cat went outside to play. The cat was grumpy.
    - Suddenly, a cat showed up and argued with the [ANIMAL 1].
    - Cat came in and scared both [ANIMAL 1] and [ANIMAL 2].
  - DOG:
    - One day, a dog went for a walk. He was very happy.
    - Suddenly, a dog ran up to say hello to the [ANIMAL 1].
    - A random dog came in and cheered up [ANIMAL 1] and [ANIMAL 2].
  - COW:
    - One day, a cow was grazing in the fields.
    - Suddenly, a cow started mooing and got the attention of the [ANIMAL 1].
    - A cow came in and gave free milk to [ANIMAL 1] and [ANIMAL 2].
  - SHEEP:
    - One day, a sheep jumped the gate. After exploring the sheep was very sleepy.
    - Suddenly, a sheep appeared and napped with the [ANIMAL 1].
    - A sheep came in and said 'Go to sleep!' to [ANIMAL 1] and [ANIMAL 2].
  - RED PANDA:
    - One day, a red panda was munching on bamboo. The red panda was playful.
    - Suddenly, a red panda appeared and fed bamboo to the [ANIMAL 1].

- - A red panda came in and gave bamboo to the [ANIMAL 1] and the [ANIMAL 2].
  - HORSE
    - One day, a horse was galloping across the field. The horse was feeling free.
    - Suddenly, a horse galloped in and neighed at the [ANIMAL 1].
    - Suddenly, a horse galloped in and neighed at the ", "A horse came in and offered a ride to the [ANIMAL 1] and the [ANIMAL 2].
  - ENDINGS:
    - And they all lived happily ever after!
    - They said goodbye and never saw each other again.
    - And then a human showed up and told them all to go home.
    - After realizing what happened, they all decided it was best to part ways.
    - Afterwards, they all decided to be best friends.
    - And then aliens abducted them all.

- Icons: https://icons8.com/icons/set/animals
  - Types: cat, dog, red panda, cow, horse, sheep
  - When clicked, plays sound of each animal:
    - Cat: https://www.zapsplat.com/sound-effect-category/cats/
    - Dog: https://www.zapsplat.com/sound-effect-category/dogs/
    - Red panda: **???**
    - Horse: https://www.zapsplat.com/?s=horse&post_type=music&sound-effect-category-id=
    - Cow: https://www.zapsplat.com/?s=cow&post_type=music&sound-effect-category-id=
    - Sheep: https://www.zapsplat.com/?s=sheep&post_type=music&sound-effect-category-id=
- Form:
  - the user can input their name and we take the name and say "a short story about … by [user name]"
    - Using window.prompt()
      - Ex:
      ```
      var personFirst = prompt("Please enter your first
      name", "Harry");

      if (personFirst == null || personFirst == "") {
        firstName = "Unknown";
      ```

```
      } else {
        firstName = personFirst;
      }
      var personLast = prompt("Please enter your last
      name", "Potter");

      if (personLast == null || personLast == "") {
        firstName = "Author";
      } else {
        lastName = personLast;
      }
```

2+ New Technologies to learn (provide 3-5 sources on the topics):
